Friendship: Seek

We all SEEK situations and people who makes us feel safe and happy.

Think about what behaviors and qualities you SEEK when looking for a new friend, and write some of them on the lines in the green SEEK box.

Then draw a picture of two people being friendly in the space below the lines.

Friendship: Avoid

We all AVOID situations and people who makes us feel unsafe or unhappy.

Think about what behaviors and qualities you AVOID when looking for a new friend, and write some of them on the lines in the red AVOID box.

Then draw a picture of two people not being friendly in the space below the lines.
