### END OF SEMESTER REFLECTIONS / INTENTIONS

Looking back over my reflections for this semester, how have I measured up in working towards achieving my goals?

After reading through my reflections and asking myself – Did I reach my targets? Why or why not? How was my progress, subject by subject? Also, I will rank my personal satisfaction with myself out of 10 for each subject; my Best?

Complete “Reflection of My Performance Last Term” (refer to index) or from Student Section of the website.
