GOALS, TARGETS AND STRATEGIES PLAN

When I complete my schooling, what opportunities do I want to be available to me? What do I want to be able to do? What do I want to know? What skills do I want to have? What career areas do I want to be qualified for?

The big question: **Is what I'm doing now going to get me what I want?**

GOALS – What do I want to achieve? My dreams and no-one elses.	TARGETS – ISMART? How will I know that I'm making progress? Short term deadlines to meet.	STRATEGIES – What things will I do and how will I achieve my targets and goals?	TO LEARN – What do I need to learn and be able to do better to succeed?	RESOURCES – What resources do I need and where will I find them?
