

Thinking Tool

LIKE, DISLIKE, UNDECIDED

When you first look at an object or learn about a topic or event, your first impressions influence your thinking.

- Write down in the **Like** section things that you like about the object, topic or event
- Write down in the **Dislike** section things that you dislike about the object, topic or event
- In the **Undecided** section write down any aspects which puzzle you or which you are unsure about.

LIKE

What do you immediately like about the object, topic or event?

DISLIKE

What do you immediately dislike about the object, topic or event?

UNDECIDED

What things about the object, topic or event puzzle you or you are unsure of?
