

## Strengths Booster

## **STUDENT**

Just knowing what your top strengths are makes no difference to your wellbeing unless you use them. Becoming your best possible self comes from doing more difficult things which challenge your current very best. The Strengths Boosters give you opportunities to use your strengths in different ways to build your wellbeing.

## **MEDIA SEARCH**

Every day I will select one of my strengths to look for people using those strengths on the news, in newspaper and in magazine stories.
