

## Slippery Slides.

Is when someone discussing an issue using certain points, continues them on to other issues.

*E.g. the authorities have banned drugs in society, so let's also ban alcohol, which leads to banning fast food and more.*

- Describe a time when you have thought this way.

- Why do you believe that thinking this way may have caused you to arrive at decisions which really were not logical?

- What is one thing you could start doing to avoid thinking this way?
