

# THINKING TRAP

## The way it is.

When someone presents points for an idea and ignores any points against it.

*E.g. we don't need 5c coins as people just lose them.*

- Describe a time when you have thought this way.

- Why do you believe that thinking this way may have caused you to arrive at decisions which really were not logical?

- What is one thing you could start doing to avoid thinking this way?
