ANSWER KEY

Tuck Everlasting

Chapters 7 - 9

1. Explain how the Tucks became unchanged.

The Tucks became unchanged when they were looking for a place to settle 87 years ago and stumbled upon a tree and a spring. They stopped and everyone took a drink from the spring, even the horse. The water tasted a bit strange, but no one thought anything of it until years started to pass and they realized they weren't aging.

2. List two events that helped them to reach this conclusion.

Answers can include: Jesse falling out of a tree and not getting hurt, the horse getting shot and the bullet went through him without a mark, not aging, the tree near the spring hadn't grown, the T Angus Tuck carved into the tree was still fresh, or Angus shot himself and was fine.

3. Aside from Winnie, who heard the Tuck's story? **b**

4. How was Winnie feeling? What did she decide she was doing after all?

Winnie felt at ease. She felt comfortable with the Tucks and didn't think they were going to hurt her. To her, they seemed gentle. The way they spoke to her made her feel special, and important; a feeling she wasn't use to. Winnie then realized that by leaving with the Tucks she in fact was running away, she just wasn't alone.

5. Describe how Angus Tuck reacted to Winnie.

Angus Tuck had a warm and gentle gaze to him when he looked at Winnie. He thought her arrival at his home was the best thing that had happened to him in eighty years.
